You've just been appointed as a conservator. Are you thinking, NOW WHAT?" Or maybe you've been acting as a conservator, and still don't really understand the process. Either way, this class is for you.

* 2nd Wednesday due to holiday

This Basic Training course will provide essential information and tools for handling your duties as a conservator. The class is taught by a local attorney along with a staff member from the Oakland County Probate Court. Although they won't be able to provide legal advice regarding specific situations, they will be able to show you how to work through the procedures and forms you need to fulfill your legal responsibilities as conservator.

Conservators are welcome to attend the class multiple times if additional information is needed.

Please join us for this informative and practical class on conservatorships!
