A masked robber armed with a knife stole a woman's purse and cash from the register at a Commerce Township lingerie store late Tuesday.

The clerk at Intimate Ideas, 2603 Union Lake Road, told Oakland County Sheriff's Office investigators that a man wearing a black hat with a gray T-shirt tied over his face came in at 11:02 p.m. and demanded money. The woman was not hurt.

Investigators used a police dog to track the suspect to where they believe the robber got into a vehicle and escaped.
