Two 14-year-old boys were taken into custody Thursday night in Oakland County after trying to rob a 14-year-old girl at knifepoint, according to investigators.

The boys approached the girl on foot in the Independence Woods trailer park off Mann Road in Independence Township at 8 p.m., according to the Oakland County Sheriff's Office.

After she ignored their demands for money, one of the boys pulled out the knife and she ran away. The girl told her parents, who called the sheriff's office. Deputies found the boys, recovered the knife and took the pair to the Oakland County Children's Village.
