Sheriff's deputies in Oakland County arrested an employee of a Royal Oak Township motel who a guest said let himself into her room and raped her.

The victim told investigators from the Oakland County Sheriff's Office she woke up in her bed at the Royal Inn, 10900 Eight Mile, at 8:54 p.m. Tuesday and found the employee in her room.

Officers arrested him a short time later, and he is being held in the Oakland County Jail. A request for charges is being reviewed by the Oakland County Sheriff's Office.
