A body was found near the border between Orion and Oxford townships Tuesday afternoon, but the cause of death was not immediately available.

The body was found around 1:25 p.m. Tuesday in the area of South Lapeer and Manitou in Oxford Township without any shoes or coat.

Officials believe the victim is a man who was reported missing "some time" ago. He was believed to have been suffering from severe alcoholism.

The Oakland County Sheriff's Office is continuing to investigate.

An autopsy will be performed Tuesday at the Oakland County Medical Examiner's Office.
