Suspects in strong armed robbery believed to be in Lansing area

Evening update

Lansing State Journal

The Oakland County Sheriff's Office is looking for two men involved in a strong-arm robbery who they believe could be in the Lansing area.

Police said the victim was robbed Sept. 28 at a Mobil gas station by two Hispanic males who took his 16-inch long sterling silver necklace worth about \$300 and fled in a gold mini-van with a Michigan license plate.

Police released a composite sketch of one of the suspects. He is described as being 5 feet 6 inches to 5 feet 8 inches tall and weighing 160 to 180 pounds. He is between 35 and 40 years old and was wearing a golf shirt with yellow and red stripes and dark brown cargo shorts.

The other suspect is 6 feet to 6 feet 2 inches tall, weighing about 200 to 250 pounds and in his late 40s. He was wearing a white button up short-sleeve shirt, black pants and black shoes.

Police believe the suspects could be in the area because prior to the robbery they asked the clerk for directions back to Lansing.
