The body of Michael James Henry, 57, of Orion Township was found early Thursday after he had been missing for two days, according to an [Oakland County Sheriff's Office](#) report.

The search by deputies began Wednesday afternoon, continued until about midnight and resumed Thursday morning. On Wednesday, deputies located Henry's van in the Boys & Girls Club parking lot in Lake Orion, according to the report. Henry frequently walked his dogs in the field area near the parking lot, near the corner of Waldon and Joslyn roads, but his dogs were seen running loose Tuesday, according to the report. The search for Henry continued Thursday with the Sheriff's Office aviation unit and its K-9 unit.

The aviation unit located Henry's body in the field about a half-mile from where his vehicle was found. According to the report, the Oakland County medical examiner responded and will perform an autopsy Friday morning. The report noted that Henry had a history of upper respiratory and cardiac issues and may have died of natural causes.
