Announces Upcoming
Off-Road Vehicle (ORV) Safety Classes**

Date/Time: Oct. 23rd and Oct. 25th 6:00 PM to 9:00 PM

**Location: Rochester Community House
816 Ludlow, Rochester, MI**

Over 40% of Off Road Vehicle related deaths in Michigan involve persons under the age of 16 years. The two major causes are a lack of training and direct supervision. This training is mandatory for all children under the age of 16 and highly recommended for everyone who may operate an ORV.

This basic six-hour ORV instruction and two hour home study is open to anyone 10 years of age and older. Upon completion of the ORV class, each student must pass a comprehensive test prior to receiving the State DNR certificate.
